

We want to hear from you!

Please share your needs, preferences and expectations about VON's Meals on Wheels Program

What is the opportunity?

If you or your family member live in the Mississauga, South Etobicoke or Oakville areas; and have required or currently need help with meals; we want to hear about your needs, preferences, and expectations.

Why is VON looking for my input?

VON provides affordable meals to the residents of Mississauga, South Etobicoke and Oakville, who cannot prepare their own meals due to health condition(s).

The community we serve is diverse, and to continue to meet your needs and preferences, we want to work with you to re-design the Meals on Wheels program.
